

**STEWARDS
OF CHILDREN®**
BY DARKNESS TO LIGHT

LEARN HOW TO **PREVENT, RECOGNIZE, AND REACT RESPONSIBLY** TO CHILD SEXUAL ABUSE

Understanding the facts about child sexual abuse can help you better protect the children in your life.

One in 10 children in the U.S. will be sexually abused by their 18th birthday.

93% of victimized children are abused by someone they know and trust.

Less than 8% of child sexual abuse reports are false.

Stewards of Children® uses real people and real stories to teach you how to protect children. Learn practical guidance and skills to implement in your everyday life.

- Two-and-a-half hour training available in person and online
- Available in Spanish online
- Evidence-informed, third-party evaluated training

A Darkness to Light Authorized Facilitator is an individual who has been trained by Darkness to Light to deliver the Stewards of Children® training program to adults in their organization or community. Facilitators model the core values of Stewards of Children® in their community by talking openly about child sexual abuse and engaging adults in discussion.

What you will learn:

- The Five Steps to Protecting Our Children™
- To be empowered to make good choices about protecting children
- To take risks to protect children
- To help create an active, educated community that protects children
